

THE SECOND WCRA CHAMPIONSHIPS – 19 JUNE 2011 at Moreton in Marsh. Kindly sponsored by Trent Trophies

The long dry spell broke with a vengeance ten days before the meeting, giving us perfect going, and the rains abated for just one day, race day. How lucky can you get?

Many thanks to everyone who helped us sort out our bend-racing equipment over the winter, and also to the folks who helped put up a very nice bend after the Saturday cricket match had finished; well, it was abandoned due to the numerous cloud bursts during the afternoon. I think it was the only time we hoped it would rain so we could set up the track.

Not only did we have no reruns due to equipment failure and no disqualifications, for the first time in living memory every single whippet finished the course in every race!

Congratulations to all weight class winners, particular congratulations to Lindsey Stevenson's **The Lighthouse Flyer** who is now a Whippet Club Racing Champion. **Vensuter Rio Venture** joined a select band of whippets who have won Championship weight classes as a veteran, and beat good dogs in the process.

We were honoured to have Llyn Chapman of JR Whippet Rescue present the prizes and she enjoyed making a fuss of every whippet within her reach!

A big thank you to Chris Doyle (Lampypics) who kindly gave his permission to use some of the photos from the day; what fabulous action shots - take a look at his website <http://www.lampypics.co.uk>
