

THE 3RD WCRA CHAMPIONSHIPS & 2ND VETERAN CROWNS

14 AUGUST 2011 at Moreton in Marsh.

150 yards straights; veterans ½yd/lb & yd/yr.

Kindly sponsored by Trent Trophies

A great day's racing with ideal weather – and a lovely relaxed atmosphere too. An increased entry of 141 and despite a late start, racing was done by five; many thanks to all who helped out and made sure the meeting was a success. Work on the equipment seems to be paying off, the traps were noticeably faster and we had the rare spectacle of a crowd gathering to watch FROM THE TRAPS – nowt to beat the sight of open-class whippets flying the box.

Congratulations to all weight class winners, particular congratulations to the Meakers' **Grease Lightning** who won impressively and is now a Whippet Club Racing Champion, also to Steve Bryant's **Agile Addition** who gained her VC from a tough group.
