

THE FOURTH WCRA CHAMPIONSHIPS – 9th October 2011 at Moreton in Marsh. Kindly sponsored by Trent Trophies

Another good day's racing, many thanks to everyone who helped set up the track, despite the long dry spell the track ran really well and we hope everyone had an enjoyable day. Well done to all dogs, you gave us a great show.

The 16lb final was so close it went straight to video! Even then the judges had to earn their corn as only a couple of inches, if that, separated first and third. It's hard to believe Vensuter Rio Venture is seven now, taking both 18lb bend weight classes this year to show the youngsters how it's done. And really nice to see Flying Rocket win the 30lb weight class after his severe injury last year.
