

## **WCRA Update on Rescheduled 3<sup>rd</sup> Championships on 30<sup>th</sup> October 2022**

Due to a change in circumstances we have had to move the venue for the rescheduled WCRA 3<sup>rd</sup> Championships. We are pleased and grateful to the Heart of England Club that they have kindly agreed to host us at their Shuttington venue.

The format will be a bend for the main Championships and a straight for the Veteran Sprint – distances for these will be announced before the day.

We are conscious of the light restrictions for the upcoming Championships which is the first day of the clocks going back. Therefore, we plan to schedule **the weigh-in from 9.30am until 10.30am** which is an earlier start for all of us but necessary to prevent us from having to pack up in the dark! On the plus side, you all get to go home a bit earlier.

Kim Saxby Reporting.
